Original Poetry.

Who would the Mourners Be?

BY BECKIE HARRIS.

How often busy hands collect,
To make a snow-white shroud,
The waxen dead, with it to deck,
To lay it 'neath the sod.
As I gaze at the nimble hands,
Working so busily,
I think, if I should wear that shroud,
Who would the mourners be?

How oft the coil of life is torn,
Asunder by grim death?
While weeping friends stand by their side,
And think of Him who saith:
The "Lord hath given, and He shall take."
"They His glory shall see,"
I think, if I were the dying,
Who would the mourners be?

How oft I sit at my window,
And watch the funerals pass,
And note how sad their faces look,
(Still sader through the glass.)
And I press my hand to my head,
And gaze unceasingly,
And wonder, if I were the dead,
Who would the mourners be?

Address of the Republican State Central Committee.

ROOMS OF THE STATE EXECUTIVE COM.
No. 1105 Chestnut Street, Phil'a.

To the People of Pennsylvania:

The approach of an election for Governor of the State and Judge of the Supreme Court calls upon us to address you.

That election, although confined to State officers, may have an effect beyond State limits, and exercise an important influence hereafter on the politics and destiny of the nation.

Arrayed against us, and endeavoring to secure your votes for its candidates, is the same Democratic party which was overwhelmingly repudiated by the people at the last Presidential election.

It has changed none of its principles, and reformed none of its practices, but is as odious to-day to all loyal men as it has been heretofore.

Its Southern wing caused the rebellion, and strove, by armed force, to rend in twain that glorious Union which was cemented by the blood of our fathers. Its Northern wing gave all the sympathy, aid and comfort to the rebellion that it dare, by resolutions in its State and National conventions, and by the votes of its members in our State and National Legislatures against all propositions and bills offered by loyal men tending to strengthen the arm of the National Government in its efforts to crush the rebellion.

That party caused the expenditure of four thousand millions of dollars of the public money, and is the guilty author of the heavy debt that is now pressing down the National industry.

It is answerable for the blood of half a million of loyal men, sacrificed in the effort to crush out its wickedness and for the wounds and misery of hundreds of thousands more.

It is responsible for the sufferings and poverty of the wives made widows, and the children made orphans at Democratic hands.

In its National Convention the Northern wing permitted the Southern rebels to dictate the National Democratic platform and policy, and has again taken to its arms the men whose hands are not yet cleansed of the blood of Northern patriots.

That party is in favor of free trade in commerce as fully now as when its Vice President, Dallas, gave the casting vote against American industry, more than twenty years ago.

It favors practical repudiation of the national debt, by paying off interest bearing bonds redeemable in gold, with irredeemable notes bearing no interest, and which, from their excess, would become as worthless as Continental paper.

It presents, as its candidate for Governor, a man thoroughly impregnated with all those abominable heresies, who, though rich beyond the necessities and wants of any reasonable man, evades, by disingenuous shifts and artifices, the payment of his taxes, and throws upon the rest of the people of the State that share of the burdens of the State which he is legally bound to bear.

If he should be unfortunately elected, he will be as "clay in the hands of the potter," in the hands of that unscrupulous set of men too well known to the State and nation as "the coffee-pot Democracy," who have so persistently endeavored, for the last few years, by wholesale fraudulent naturalization papers and fraudulent election returns, to destroy the value of the elective franchise.

It presents as its candidate for the highest judicial office, a gentleman unknown to his profession, and whose limited experience renders him unable to grapple with the great questions that are continually presented to our Supreme Court.

Such men surely are not entitled to the support of loyal and intelligent freemen.

On the other hand, we assert that the Republican party is the party of loyalty, of devotion to the Union, and to the rights of all men.

It stood by the Government in the hour of its great extremity. Its young men went to the battle-field, and offered up their lives in defence of the integrity of the Union, while its opponents stayed at home, and rejoiced in rebel victories.

Its capitalists, when the credit of the Government was lowest, offered up their wealth to support our armies in the field, and to provide hospitals for the sick and wounded.

It has voted bounties for the soldiers and provided pensions for the disabled, and for the widows and orphans of the patriot dead, and is now in the State of Pennsylvania alone expending half a million of dollars yearly to educate the orphans of deceased soldiers.

Recognizing the duty of an enlightened government to provide for the encouragement of the industry of the people, it has enacted tariffs to prevent undue competition by the pauper laborer of other countries with the labor of the American citizen.

Regarding the plighted faith of the Government as the most sacred of obligations, it has determined that the debt of the nation (except where otherwise agreed upon,) shall be paid in gold to the last dollar.

In the National Administration, it has redeemed its pledges to the people, by dismissing useless office-holders, by reducing the number and expense of the army, and paying off in the first six months of its existence, fifty millions of dollars of the national debt caused by the Democracy, and with the prospect of paying off five hundred millions thereof during Grant's administration, whilst in the State administration, under the skilful management of Governor Geary, it has paid off five millions of dollars of our State indebtedness, and has relieved the people from all taxation on real estate for State purposes.

Such are the principles and acts of the Republican party.

As the representative of those principles we present to the people as candidate for Governor the statesman and patriot, John W. Geary. His history is known to you all. We need not repeat it. His military exploits are written on the rocks of Cerre Gordo and the walls of Chepultepec. They are inscribed on the ridges of our Gettysburg, on the passes of Waubatchie, on the forests of Ringgold and Missionary Ridge, and above the clouds on the heights of Lookout Mountain.

He rendered service in sixty battles, received four wounds, and lost his oldest son in the service of his country.

He has been scarcely less distinguished as a statesman, and to his intelligence and firmness we are indebted for the prevention of hasty and unwise, and unconstitutional legislation, and for the punishment of murderers, whom a less firm Executive would have allowed to escape.

In Judge Williams we present an able and accomplished jurist, who has sat long on the bench, and had a large and varied experience, and whose numerous decisions, supported by the Supreme Court, have been recognized by that tribunal as being sound law, and expressed in a manner worthy of its high commendation. In his hands the rights of the people will be secure.

The election of those two men will be of vital importance to the people. It will destroy the sham pretensions and professions of the Democratic party, always arrogant and never fulfilled. It will establish the prosperity of the people on an enduring basis.

We exhort every friend of genuine republicanism to go to the polls and vote for Geary and Williams. Do not wait to be solicited. Do not wait for your neighbor. Do not let an apathetic indifference render you careless in the exercise of what is not a mere privilege *but a duty.*

Remember that the election of Geary will give us an honest administration of States affairs, whilst the election of a man who evades the payment of his taxes would be likely to be the advent to power of dishonest men.

Remember too that the present election may have an important bearing on the next Presidential election, and if Pennsylvania should now fall into the hands of an effete and corrupt Democracy it may throw the next National Administration into the power of rebels, free traders, and repudiators. A full Republican vote is a full Republican victory.

Let every patriot do his duty, and all will be well. JOHN COVODE,
Chairman of State Central Com't.

The Party of Crime.

One thing will strike the intelligent reader when looking into Democratic journals. He will not find an argument on truth, nor worded in gentlemanly language, in ninety-nine out of a hundred Democratic papers.

Their whole stock-in-trade seems to be concocted frauds, without even the shadow of truth for a basis. Nigger! nigger! Radical! Radical! This is the extent of their reasoning. We can only suppose that the grossness of the general Democratic stomach—we can't say intellect—requires this vulgar food. We have repeatedly charged and proven the Democratic party committed to every manner of crime and insubordination subversive of good government, and the safety of society. The horror at Avondale, the burning of Orphan Asylums, the assassination of unoffending settlers, the destruction of homesteads, blot the brightest record the most zealous historian can write of this party of blood.

It grieves us that in the ranks of this infamous clan are still found thousands of brave, noble-hearted Irishmen. We are sorry to say that the majority of Irishmen in this county are content to throw away their natural high-mindedness, and rush up to the Democratic troughs among the uncultivated swine who devour such filthy doctrine as is supplied by such papers as the Bellefonte *Watchman.* There must be an immense amount of crime at the bottom of society where such penitentiary blotting-sheets flourish.

Read the following ranting notice of that eloquent and able defender of Irish interests, *The Irish Republic:*

IRISHMEN.—Radical money has corrupted a few Irishmen who, for the sake of office and filthy lucre, have thought it well to join hands with the party whose record is blackened all over with proscription of the foreigner and Catholics. These renegades are now doing all they can to aid the men who believe "a nigger better than an Irishman." They call themselves "Irish Republicans," and a paper has been started in their interest called THE IRISH REPUBLIC. Agents for this contemptible sheet are now travelling for subscribers. The paper is thoroughly in the interest of the Know-Nothing Radical party, and its editors merest tools for the Ben. Butlers, the Charles Sumners, the Wendell Phillipses and the rest of the miserable conspirators against our free Republican form of government. Let Irishmen beware of it and its advocates.

We ask Irishmen to read this extract, and hand it to their friends. A good cause is founded on truth, and relies on reason for its propagation. The devil spreads his faith by lies. His constituents are those whom society is forced to war upon, and he must, as a necessity, feed them on lies. The cause that relies on abuse and vulgarism, may flourish in a nation where crime is universal, or during a partial breaking up of society; but truth, though trampled to the dust beneath ruffian feet, will rise triumphant in the end.

Republicanism is seeking to elevate humanity. Democracy seeks to trample and degrade the weaker races.

On which side should the Irish stand?

From 1843 to 1848, when Judge Packer was an officer in the Lehigh Coal and Navigation Company, he demonstrated his love for workingmen by paying his employees in the Company's scrip at par, and redeeming it at forty per cent. discount. The poor men were obliged to submit to this ruinous shave, as they could buy nothing with the scrip, and had nothing else to buy with. Thus Packer profited by their necessities to the extent of forty cents on every dollar, and in this way helped to build up his colossal fortune. We are glad to know that the present officers and management of this staunch old company do business in a different way.

Twenty millions was a good man when laboring men dare not say, "if he said." Now laboring men—contemporaries of those who ducked Asa Packer in the Lehigh—have decided to protect themselves and their children against the ruin of Free Trade by voting for John W. Geary.

Slingsback.

Twenty millions always degrades workingmen.

Twenty million builds houses for traitors, and makes his laborers pay for them.

Twenty million wants the mechanic to labor sixteen hours a day, and compete with English prices.

Twenty million got rich off the men he expects his shrewdness in time gone by, will admit of his buying.

Twenty million's built a royal mansion near his (?) University for a neice of his friend, the rebel Jeff. Davis.

Twenty million wont be elected Governor by the toiling men of Pennsylvania, and we will bet $20,000,000 on it.

Twenty millions, by his vote, said a Catholic was incompetent to hold office and administer the laws of the government.

Twenty millions and the Centre county buckwheater say all farmers are fools, and can be bought with Democratic "stamps."

Twenty million has plenty of whiskey on his side-board for rebels, and plenty of cold victuals for the poor man—at $1 extra per ton.

Twenty million says a Catholic is not endowed with native sense to distinguish between $2 60, American, and 18 pence per diem, English.

Twenty million sneaked out of paying his lawful taxes, but can support arch rebels in princely style, while the laboring man foots the bill.

Twenty million is now pasturing Col. Davis, brother of the petticoat Jefferson, at his royal mansion, in Mauch Chunk. How's that, Lincoln hirelings!"

Twenty million Packer flitted from Mauch Chunk to Philadelphia to sneak out of paying his justly assessed National, State, county and borough taxes!

Twenty million once bolted the regular Democratic nomination, because the nominee was a Catholic, at the same time voting for a Know-Nothing candidate.

Twenty Million Packer says the "Lincoln hirelings" did not take his advice during the war, and he don't expect they will now. You're right, old $20,000,000!

Twenty million's organ say old $20,000,000 lives in the Sixth Ward, Philadelphia, but they announce him "For Governor, Asa Packer ($20,000,000) of CAMBRIA COUNTY."

Twenty million wants to tear down all safeguards Republicans have erected for the poor man, and make the hard-fisted laborers compete with under-paid workmen of England.

Twenty million being able to buy his nomination for Governor, would be able to buy a Legislature, if necessary, to assist him in his railroad schemes to grind the faces of the poor.

Twenty million is not a native of Pennsylvania, but the New York candidate. His interests are all with the New York capitalists against the interests of Pennsylvania.

Twenty million is opposed to the "Eight Hour law." Let mechanics and laboring men remember that, and not trust him. His professions are delusive—he is a snake in the grass.

Twenty millions' ducking in the Lehigh by workmen he swindled out of decent day's wages, didn't cleanse the party. That garment will be aroused and pronounced "*niz cum rouse,*" Oct. 12th.

Twenty million has never been able to stomach a workingman since a lot of them threw his kingship into the Lehigh canal, in 1843, for attempting to force them into his service at starvation prices.

Twenty million foots the bill while rebels dance, and the poor men of the Commonwealth foot $20,000,000's bills for the campaign. They will "foot" $20,000,000 in some other locality on the 12th of October.

Twenty million's nomination put 57 cents extra on each ton of coal. The "extra" goes to defray the expenses of the democratic campaign, and must come out of the laboring man's pocket. Stick a pin there, workingmen.

Twenty million thinks he can corrupt the voters of Centre county. He first buys his nomination—then advances the price of coal $2 per ton, and then sends the "extra" he has made off the poor man into the country to buy the laboring man's vote!

Twenty million says the Eight Hour Law should not be enforced. Let laboring men remember that Packer declined to give a direct answer to the question "Are you in favor of the Eight Hour Law? That law was passed by a Republican Congress, and enforced in all the National work-shops in the United States by President Grant. Will the hard-fisted voters of Centre county cast a vote for a man thus committed to Free Trade, low-prices and poverty.

Twenty million's and his friends would beggar individuals and the State through Free Trade. Under Republican rule the increased internal revenue receipts from tobacco during the fiscal year, ending June 30, 1869, (mostly under Grant,) amounted to $4,082,000. And the increased receipts from internal revenue during the present quarter over the corresponding period of last year is estimated at ten millions of dollars, or at the rate of forty millions per annum. Voter, mark that!

ARE YOU WORKING?

We ark, in all seriousness, if the members of the Republican party in Centre county are doing their whole duty as the exigencies of the campaign require?

Have the township committees exhibited that energy and discretion—that ceaseless and untiring activity, the interests and the occasion demand?

We talk plainly.

Have you done anything?

Have you yet prepared lists of the doubtful voters in your townships?

Have you examined the Assessor's books, and are you ready to challenge the spurious voters?

Have you placed in the hands of the *doubtful* such *proof* of democratic venality as will leave them in no doubt of what is their duty?

Do you know that you can get the *precise* documents required by applying to the efficient Chairman of the Republican County Committee, John T. Johnson, Bellefonte?

Knowing this, have you secured these pamphlets, and

Have you circulated them, or are they safely stowed away in some pigeon hole until after we lose by your carelessness?

Are you using your personal influence and best efforts to elect the entire Republican ticket?

Have you arranged for local meetings, and secured such talent as may be had for the asking?

Are you in correspondence with the Chairman of the County Committee?

Or are you waiting for "some one else to act?"

Have you placed tickets in the hands of the right men?

Have you hitched up your horse and driven a square to see a doubtful voter?

Are you aware that the democrats are trying to lull you into criminal apathy, trusting, thereby, that you will lose the victory by default?

Do you know that they are not leaving one stone unturned—one lie unrehearsed—one *fact* unbelied—one Republican candidate unbeslimed—one penny of Packer's sweat-money unappropriated, or one string unpulled, night or day, to defeat you?

This is truth; and if you expect to wrest this county from democratic domination, you must

Arouse,
Work,
Argue,
Spread the facts.
Do your duty as becomes Republicans

Do you know that hired spies, agents and tools are riding this county up and down, through highway and byway, to hire, bribe and buy votes?

Do you know that your next door neighbor has been placed in possession of several V's for campaign purposes,

It is far more than probable the very man you least count upon as working for the Democratic ticket, has in his pocket a *fat* amount of Packer's sweat money.

Watch out!

Don't sleep!

Go the woods through and wake up the sleepers.

Put the right bullet in their hands, and tell them how to pick the flint.

Pick it for them.

No punk flints from this until the 12th of October.

There is danger.

If Republicans will *work* from now until the going down of the sun, Oct. 12th, Centre county will be redeemed.

Packer's gold is paying thousands for quiet but active work, and our enemies are straining every nerve to carry both the Governor and Supreme Judge, as well as the Legislature.

The success of the Democracy this year commits the State to repudiation, free trade and unbridled corruption.

We beseech Republicans to be on the alert.

Meet the enemy right in front.

Don't shirk, another day.

Gird up your loins, and, with the glorious banner unfurled, of Protection, Loyalty, Geary and the Right, press on over the corrupt body of effete, disloyal and detestable Democracy.

It Wont Win.

If the corrupt use of money could ensure Asa Packer's election, we should banish all hope of a Republican victory on the 12th. Packer agents are as numerous and impudent as Niagara hackmen. They shake the rolls of Asa's sweat-money under the noses of Geary men with the air of a horse jockey. They have utterly abandoned argument, and no longer attempt to cloak their infamous designs. We suppose Packer has already bled too freely to permit a retreat; and, rather than miss the Executive chair, the purse strings are further unlcosed, and we have the shameful spectacle of a Democratic nominee for the highest office in the Commonwealth, deliberately attempting to buy his election. No dout Mr. Packer believes that once inaugurated Governor, he could make such advantageous combinations with New York capitalists as would speedily replenish his depleted coffers.—Heaven help the poor man in that day.

We have it from a source entitled to confidence, that the Chairman of the Democratic County Committee is not the only recipient of Asa's greenbacks in Centre county. It would seem that Mr. Packer has a kind of guerilla correspondence with others than the Chairmen of county committees. A man in one of the Northern townships of this county has under his employ some fifty or more workmen. He wrote to Mr. Packer (whether to the Merchants Hotel, or Mauch Chunk, we cannot state,) and proposed to sell these votes to Packer for money. Mr. Packer, in reply, told his customer to apply to Mr. Shugert and get the funds required. We learn that application was made, but that no money was "shelled out." He immediately wrote Mr. Packer the result, and our informant states that the amount required has been received. And this is the way this putrid organization proposes to obtain control of the State. It "can't be did."

Malicious.

We have frequently proven the Democratic leaders enemies of the workingmen. It is rarely the journals of that party exhibit their venom so undisguisedly as the Centre Hall *Reporter* and Bellefonte *Watchman* are now doing. Those sensational sheets have now discovered a mare's nest in the mountains skirting Pennsvalley.—Mr. Coburn, of Aaronsburg, has been very active in support of the Lewisburg, Centre & Spruce Creek Railroad, and has, of late, given considerable time and attention to obtaining releases of the "Right of Way" for the proposed road from property owners who own timber and other lands through which it must pass. These men reside in the Eastern cities, and elsewhere. From this fact, these alarmists, in their zeal to make political capital against Mr. Coburn have struck the farmers of Pennsvalley a cruel blow. They would have buyers, and all others, believe that half that beautiful valley was held under defenseless titles, and that Mr. Coburn has been engaged in buying them up! Could a worse blow be given the honest farmers of Pennsvalley?—How could these journals well strike the honest yeomen of Pennsvalley a more dastardly blow, than by thus casting suspicion upon the validity of the titles to hard-earned homesteads? The base inference will not effect Mr. Coburn, but it has, and will continue to injure the fair fame and worth of honest yeomanry of Pennsvalley. For shame.

The Ring.

Never have the independent Democrats of Centre county had better cause or more favorable opportunity for routing the corrupt clique composing the Court House Ring, horse, foot and dragoons, than is offered on Tuesday next. It has been well said that the year is favorable for Ring smashing.—Never was the Ring so corrupt, venal, tyranical or infamous. Never did the independent and insulted Democrats of the county have greater cause for rebelling against unwarrantable and dictatorial domineering.

If not this year, we ask when?

If you havn't been outraged, spit upon and rode over this year, pray tell us when you ever were?

You have now the very opportunity offered you on which to teach self-appointed masters that the *people* rule, and are not disposed to longer bow down in servile subjection to Ring domination.

Smash it on Tuesday, Oct. 12th, and the corrupt clique will never assume to dictate again.

Concerning Quiet Campaigns.

That the REPUBLICAN has constantly opposed the mooted theory of a quiet campaign, is well known. The Democrats favored that plan for the simple reason that they *dare not adopt any other*. They had no fresh, live, decent declaration of principles upon which to go before the people and defend from the stump and rostrum, and therefore decided for a quiet campaign with a roar of cheap fusilade through their organs. But their organization is perfect, and their work unceasing. All that money, threats, bribes and intimidations will accomplish, is being done. The seeming indifference pervading the Democratic camp is but surface indications.—Democracy is as energetic to-day in encompassing the defeat of our State and local nominees as it was during the Rebellion in embarrassing the Government and discouraging enlistments.

The Democrats are rejoicing over the trap into which Republicans have fallen in supposing the Cops are slumbering.

Every Democrat is awake!

EVERY OTHER REPUBLICAN IS ASLEEP!

How, we ask, in the name of all that's logical, can a minority party in this county expect to overcome 375 majority, and sleep until the REPUBLICAN is compelled to announce its defeat.

Quiet campaigns are no new invention. The Republicans of this county had a taste of that bit of theory in 1867.

The Republican vote of 1867 in comparison with that of 1866 shows a loss of 325 votes!

The comparison of the Democratic vote for the same period shows a loss of but 25 votes!

And that was one of these humbugs yclept quiet campaigns. If our State and county tickets are elected—which they can be—Rome must howl! Every drone of a Republican must be scourged to the polls.

A defeat this fall will be the severest blow Pennsylvania Republicans ever received.

Let every man arouse, and the magnetic wires will flash the glorious victory to our sister States on the night of October 12th.

If Republicans sleep another moment, the wires will chronicle our ignominious defeat.

Choose ye, Republicans, for the matter is in your hands.

Loyalty or
Disloyalty;
Protection or
Free Trade;
Defeat or
VICTORY.
WHICH?

Shall He?

This man who has not subscribed one cent for the building of the Lewisburg & Spruce Creek Railroad;

This man who refuses to give one penny of his ill-gotten goods and chattels to enhance the price of his poor neighbors homesteads by aiding in the building of a great internal improvement;

This man who designedly and with malice aforethought organized a swindling oil company to defraud his unsuspecting neighbors and enrich himself;

This man, grown so aristocratic that the good old name of his father will not serve him;

This man, who adds here a farm, there a mill, now a corner lot, and then a suit of broadcloth, with money got—the Lord knows where—for he "toils not, neither does he spin;"

This man, guilty of a nameless crime which should rid society of him forever;

This man, without brains, character or honesty—we ask if the people of Pennsvalley are going to elect this man to office?

Are you going to elect Jacob G. Moyer, *alias* Meyer, to the Legislature?

Vote For Jerre Butts.

The very fact that Mr. Butts is conceded by both parties pre-eminently fitted for the correct and able management of the Sheriffalty, puts the entire copper-press in spasms. Eminent personal fitness for an office is a heresy in the eyes of such as Meek and his "little Dutch villain." But the independent members of the Democratic party—those unawed and fearless of the impotent lashings and stabs the *Watchman* clique hastens to deal out to those who dare oppose the imperial mandates of the Ring, admire merit; prefer fitness to downright incapacity; an approachable officer to a high shirt-collared aristocrat—prefer Jerre Butts to Daniel Woodring. *Ergo*, the fearless opponents of the Court House domination will go *en masse* for Mr. Butts.

All the slimy spawn the putrid editorial stomachs of the *Watchman* junto can emit in the way of trumped up "Wingard" yarns, will not blind the eyes of one independent Democratic voter. The lies of the *Watchman* and the independent voice of fearless Democrats cannot fail to triumphantly elect the Peoples nominee, JERRE BUTTS.

Remember,

Voters of Centre county, that there are great issues to be decided by your votes on Tuesday the 12th day of October. It is for you to say whether Gen. John W. Geary shall be Governor of Pennsylvania for the next three years, or Asa Packer, the $20,000,000 candidate, the opponent of all the interests of the workingmen.

Knights of the Golden Circle.

The Red Sign of Treason Once More Unfurled!

FOREWARNED, FOREARMED.

A reckless party, maddened by defeat and hungering for booty and plunder, affords, in its desperation, food for grave reflection. A lawless, infuriated mob—pillaging and sacking is less terrible. Theirs is a momentary madness the steady arm of the law, or returning reason check. But the power for evil possessed by a great political organization when unrestrained by a sense of Justice and National dignity, is something fearful to contemplate. Such a party will break down all barriers, and demolish all safeguards. It has at heart neither equity, policy, or regard for established and inherent Rights. We had supposed the party, misnamed Democracy, content with the infamous record of its Ku Klux, Knights of the Golden Circle, and various other organized bands of ruffians, cut-throats, and the *canaille* of society, would not attempt—nay, dare to countenance the resurrection of these clans, or organize others with similar designs. But the virus of the party of crime has not yet been expended, and it appears that the Republicans of Centre county have, once more, as in the bloody days of the late rebellion, to deal with disguised traitors, and the nefarious schemes Democracy is seeking to accomplish through a resurrected band of

KNIGHTS OF THE GOLDEN CIRCLE!

Once more have the warning notes of these cowardly miscreants been sent out to intimidate and overawe well known opponents of this party of crime!

Two weeks ago we first learned that an order had been received in this city for the instant re-organization of this noted circle. We did not then believe the report, or warn our readers of the possible existence among them of such an order. Within the past four days we have received two communications upon this subject, one of them detailing the manner and method of meeting adopted by the Circle, and the other apprising us of a warning sent his brother by a Circle which he believes exists in his township! A third informant states, positively, that an organizer of Circles is at present in this county assisting in resurrecting the order. Does this account for the mysterious meetings being stealthily held at the dead of night in the houses of certain influential Democrats in Miles and Harris townships—in fact, in every township in the county?

Is this the solution of the *quiet campaign* the Democracy are instructed to conduct? Is this the engine of power the genius of Democracy have re rivited and fired for the campaign?

We have warned the Republicans of this county, time and again, that apathy was criminal, and that ceaseless work only would give us a victory.—More than ever are we now thoroughly impressed with the belief that tireless, night and day *work* must be performed, if we would redeem Centre county, or save the State.

We are not alarmed, but the indications are such that a party, forewarned, may be forearmed, and we believe it our duty to arouse the party from its strange apathy, to meet the impending danger as becomes its past grandeur and glory. Once more, and, perhaps, for the last time, we warn every Republican in Centre county to AWAKE and WORK.

How's this, Catholics?

We respectfully submit, for the consideration of the Irish voters of Centre county, whether their suffrages are to be had by such Know-Nothing candidates as Jacob Moyer and Joseph McCloskey? Are Catholics prepared to vote for men who would debar them from holding office as citizens of the United States? How can men who have taken the following oath have the impudence to ask for Irish Democratic votes?

I, Joseph McCloskey, a native born citizen of the United States, and of Protestant faith, in the presence of Almighty God, and these witnesses, do solemnly promise and swear that I will not vote nor give my influence for any man, for any office in the gift of the people, unless he be an American born citizen, in favor of Americans ruling America, nor if he be a Roman Catholic.

In the presence of Almighty God and these witnesses, I do solemnly and sincerely swear that I will, when elected or appointed to any official station conferring on me the power to do so, remove all foreigners, aliens, or Roman Catholics from office or place, and that I will, in no case, appoint such to any office or place in my gift.

This oath Joseph McCloskey took without any mental reservation, and without wincing. In other words, Jos. McCloskey is a renegade Know-Nothing. Last Fall the Democrats run Gen. Frank P. Blair for the Vice Presidency. He, too, was a renegade Know-Nothing. Every Fall, in this county, the Ring places upon the Democratic ticket one or more of these renegades. Fully one half the members of the Court House Ring are renegade Know-Nothings, and took the above oath, and this fact accounts for the absence of the name of any Irishman on the Democratic county ticket. Irishmen of Centre county, what has the Court House Ring, or Democratic party, ever done for you?

The Twitchell Lie.

Mr. Gould, of our contemporary, the *National*, is in receipt of the following letter from Mr. M. H. Keenan, the reputed author of the original letter from Fort Shaw, upon which Mr. Meek built up his celebrated canard concerning the spiriting out of prison while under Democratic *surveillance*, of the dead body of George S. Twitchell—the Democratic murderer. We append the communication, not that any sane man has been misled by the infamous lie, but out of courtesy to Mr. Keenan, who is well known to our citizens. The following is the letter:

FORT SHAW, SEP. 17, 1869.

MR. C. B. GOULD—*Dear Sir:*—Not knowing you personally, but seeing by the *Watchman* that you are the editor of the Republican press of Bellefonte, I write you. I saw a letter in the *Watchman* of Sep. 3d, purporting to be the disclosure that Twitchell is alive, and was here at Ft. Shaw, and received a pardon from Gov. Geary. Mr. Editor, from whom he got his information is more than I can tell. I have been at this post since May, 1869, and am positive I am the only Bellefonter here, and have, as yet, only found three Pennsylvanians, and to prove to you that I ought to be capable of knowing, I will describe the Fort.

Fort Shaw is a Military Post, situated on the road between Fort Benton, the terminus of the Missouri River navigation, and Helena, the gold city of Montana, and is for the protection of travel from Indian depredations, and it is garrisoned by about one hundred men. There is no settlement in close proximity to it, and so you see I ought to know of any Bellefonter in it. As regards Twitchell being here on the 21st of August, is all a hoax; if he had, I would have known it, and, moreover, I can prove there never was such a man here.—My reasons for contradicting this, is, because I am a Republican, and a warm admirer of Gov. Geary, and knowing the article in the *Watchman* to be a slander against his name, I give you the information in regard to the affair. You will find by asking any of the inhabitants of Bellefonte that I am well known there as I was born and raised there, and my family still reside there.

You can use this to suit yourself.

Very Respectfully Yours,
M. H. KEENAN.

We understand that Gen. Lyle, Democratic High Sheriff of Philadelphia, is about clearing up his traduced character at the hands of this noted libeler, by means of an action for libel against P. Gray Meek. *Fiat justitia ruat celum.*

To Irishmen.

"Art thou in health, my brother?" was the question asked by the Joab of old, as he thrust his weapon of death to the heart of his unsuspecting victim. Could anything be more like this than the conduct of the Free Trade aristocrats, seeking, under the lead of Asa Packer, to Pauperize every Irish laborer in this Commonwealth? The dagger of Joab is in the hands of Mr. Packer, and right royally will he use it, if elected, to cut asunder the bands of protection Republicans have woven for the defense and prosperity of our Irish citizens. The great question between Labor and Capital is big with interest to every Irish citizen. The question of protection to American Industry, *versus* Free Trade, is agitating this Commonwealth as never before. The election, to a greater degree than ever before, hinges upon it. Upon the one side we have an avowed monopolist, and the greatest disciple of Free Trade the Commonwealth affords.

In John W. Geary we have a tried defender of the Workingmen's Rights, and Protection to Labor.

The great Republican party has repeatedly shown itself the friend of Labor, as in its Eight Hour Law, and the leaning of Workingmen should be towards its friend.

It should be patent to every citizen of this country that the surest road to making its liberties secure, is to make it entirely independent of other States, not only politically, but industrially.—To achieve this, it is necessary to be able to supply our markets with articles, manufactured by ourselves, from the raw material which our country produces either agriculturally or in minerals. How, we ask, can we do this with an energetic Free Trader in the Executive chair who is anxious to place our manufactories upon a competing level with the factories of England. Protection is the huge oceandam that stands between our workmen and the pauper wages of English slaves. Let Mr. Packer be inaugurated, and Free Trade proclaimed, and the pauper-paid work of England, flooding our markets, will strike down our workmen's wages to starvation point; will bring swift bankruptcy upon our manufactories, and then, when the Sheriff closes the factory door, and starvation is actually before him, the Irish workman will realize the beauties of Free Trade. Once break down the embankment, and American capitalists and American workmen will flounder through the floods of beggary until they are both engulfed in the waters of ruin. English manufactures will then supplant our own. English serfs will compete with American and Irish laborers. How do our Irish workmen like the picture? Every vote to Free Trade, is a vote to England. Every vote to England, is a vote against Ireland, and against America. Above all, let him remember that it is a vote against himself.

Let the Irishmen of Centre county, while helping themselves, their fatherland and their adopted country, help to strangle England through her commerce.

To do this, vote for JOHN W. GEARY FOR GOVERNOR.

Constituents Inquire.

JACOB G. ON THE GRIDDLE.

Fred Kraut Please Copy.

Also the Berichter.

Kraut, of the *Mountain Noserag*, yclept *Reporter*, having inaugurated a system of questions to suit his locality, the gentlemen signing the annexed correspondence, have undertaken to satisfy themselves as to the specific views held by Mr. Moyer, otherwise Meyer, on prominent topics before the people. We give the correspondence in ful, as follows:

CENTRE MILLS, Oct. 2, 1869.

J. G. MOYER—beg your pardon—MEYER;—*Sir:*—As you are a candidate for our suffrages for an important and responsible office, one that will do you great honor when you secure it, we, your possible constituents desire to be fully informed as to your opinions upon several questions that agitate the public mind. We therefore, propose to you the following questions, which you may reply to, or not, as most men in this county do as they please in such matters, but if you decline to answer, we shall take the liberty of believing what we please of you.

1. If you were in Utah, would you have as many wives and children as Brigham young? If not, how many, and what sort?

2. Do you believe in the Chester White pigs, and would you favor a law to exempt them from taxation to encourage their manufacture?

3. Do you prefer married men as tenants of your farms?

4. What is the present value of Haines tp. oil stock?

5. Have you ever had the measles; if so, how many?

6. What is the best method of teaching music in Brushvalley, where you say they are incompetent to understand your system?

7. What is your mode of making apple-butter?

8. Does adding water to cider make better vinegar; and what do you think of the practice of adding water to whiskey?

9. What is your honest opinion of the Centre Hall *Reporter?*

10. Do you prefer buckwheat note- or round ones in music?

11. What do you know about the Byron scandal, and is it true?

12. Do you really want Asa Packer elected; if so, why?

13. Are you opposed to humbugs; if so, how do you explain the fact that you are a candidate for the Legislature?

14. Which patent fruit jar do you prefer?

15. Are you going to bet on Rikard's horse at the fair?

16. Do you know anything; and if so, what?

17. What is the price of Putty?

Lastly. How many votes will you get, and what kind?

These questions seem to us of grave moment, and we expect from you a serious and solemn reply in writing, to each of them. In entrusting the grave interests of our people to you, we deem it only reasonable that we should know your opinions on these important questions. We shall publish your reply when received, and correct the spelling before sending it to the printers. Yours very truly,

Pete Swifflebrenner, John Fulwiber, Abram Duffenderfer, Simon Noleslagle, Sam. Kaup, John Jones, Hans Rutslefel, A. Free, B. Bush, John Smith, P. L. D. Oat, Jacob G. Ous-g'shpeel.

That Twitchell Humbug.

The *Watchman* clan, goaded to desperation by the crushing "settler" it received at the hands of Geary and the Democratic officials having Twitchell in charge at the time the *Watchman* junto assert he was spirited away, return to the charge, and in a three column article of specious sophistry, attempt to explain away some of the tremendous thumps the foul bantling has received at the hands of Democratic journals within the past few weeks.—It is a labored article in demonstration of what the *Watchman* Editors and the *Watchman's* readers jointly consider a lean joke long drawn out. It was due the readers of the *Watchman* that some additional defense should be offered. It was a bold game, admitting of no bungling inventor, or hesitating falsifier. In no other locality between the poles, with which man has been made cognizant, could so rotten an egg have been laid, hatched and eaten, than where it most properly saw the light of print. Peter Munchausen and Joseph Pepper were the lousy crows alternately suckling and covering the offal bird. They first fondled and clouted it, little dreaming that Democratic pins, under such a pressure, were liable to break away, and let highly seasoned destruction down upon their addled craniums. The Twitchell canard was emphatically a "bad egg."—Its concoction was unnecessary, and its rehearsals are nauseating. Lay the vile bantling away, carefully labelled, "Midwife Meeks Marionette"—puppet.

Remember This

Aside from his avowed and well authenticated opposition to the Lewisburg, Centre & Spruce Creek R. R., we have another grave charge to prefer against Jacob J. Moyer.

He is known by those who have sounded him upon the subject, to be an out-an-out, uncompromising enemy of the

LUMBER INTERESTS

of Centre county!!

He is in no way interested, and in case of his election would doubtless be a willing tool in the hands of the lobby opponents of the lumbering interests of our county. This statement is entitled to the earnest consideration of every lumberman in the county.

James P. Coburn, being heavily interested in timber land, would protect the valuable interest of those engaged in lumbering, whether capitalists or workmen.

Scratch Moyer on that.

Samuel L. Barr.

The gentleman, whose name heads this article, is a first-class man. He is every way qualified to fill the office of Prothonotary. This is more than can be said of his competitor, John Moran, *the careless*, and the nominee of the Court House Ring.

Sam'l L. Barr was, for four years, a Union soldier. He was brave as a Spartan. His fixed determination was to come home "with his shield, or upon it." He came home all covered with glory; but he left an arm behind. Samuel L. Barr is, therefore, a *one armed soldier*, who never lagged behind, and who *never deserted his principles.*

John Moran, his competitor, refused to go to the army. He refused to fight for the Union, but gave his sympathies to the other side—to the Johnny Rebs—to the grey coats.

While Samuel L. Barr was fighting the battles of the Government, in defence of the Nation's life, Jno. Moran was in open sympathy with the rebel cause, and making a fortune out of a salary of $900 per annum. We cannot tell how John did it; but he did it. Honestly, or dishonestly, we cannot say.

Taxpayers of Centre, will you prefer John Moran to Samuel L. Barr? We know you will not. Vote for Barr, who will make a good officer. Defeat Moran, and rebuke the Ring.

Lewis Hess.

There can be no better evidence of the honesty of Lewis Hess, and his fitness for the office of County Commissioner, than the fact that neither the *Watchman* nor its "Echo," the Centre Hall *Reporter*, has been able to say one word against his private character. Not one single charge has been made against him, except the silly oilstock story.

Our particular friend, J. G. Laurimore, whose Democracy no man will question, persists in saying that the charge is absolutely false, and, to use his own language "wickedly and maliciously false."

Tax payers of Centre, if you would have your county taxes reduced from 7½ mills on the dollar to 2½ mills, as they were when Republicans had control of the county, vote for Lewis Hess.

There should be one Republican, at least, on the board of County Commissioners. He would watch the "other fellows," and make them honest. See to it, then, Republicans, and independent voters of Centre, that Lewis Hess be triumphantly elected on the 12 h day of October. Remember, his election *will save you hundreds of dollars.* His election will compel the present board of commissioners to show up the *new jail*, and *other swindles* upon the people which, up to the present time, they have *refused to do.* Vote for Hess.

Minister Curtin.

Advices received from His Excellency Andrew G. Curtin, state that owing to the prolonged absence of the Emperor from St. Petersburg, it has not been possible yet to present his credentials as Envoy Extraordinary and Minister Plenipotentiary to that Court. He was, till lately, at Dresden with his family, under the instructions of Secretary Fish, awaiting the return of Minister Gortschakoff from London, when he will be presented. Hon. T. J. Coffey, the Secretary of the Legation, accompanies the ex-Governor, and has placed his children at school in Dresden. The health of Minister Curtin has been good, and he has received during his visit many attentions from not only American, but English, French and German tourists at Dresden, who are enthusiastic in their expressions of admiration of our Pennsylvania Ambassador.

Republicans Remember

The Republicans should remember that in some respects the coming election is one of peculiar importance, and every vote should be polled. For instance, in 1871 the Legislature will have devolved upon itself the duty of apportioning Pennsylvania both for Congressional and Legislative representation. Both of these apportionments have not fallen on the same year since 1801, and will not fall on the same year again until 1941. This shews the importance of having a Republican Governor, when these apportionments take place, so that, in no event, there may be an unfair apportionment of this State. Republicans of Centre county, do your duty, by voting for Geary and an honest apportionment of the State.

J. B. Butts.

Jere Butts is well known to the people of Centre county. He is a clever man in every sense of the word. He is abundantly qualified to fill the office of Sheriff. If elected he will not run all over the county telling his business—telling the names of those against whom he has warrants, who he is selling out, and who will be the next man to fail in business. A Sheriff should keep his business to himself. This, Daniel W. Woodring does not do. If he is about to sell a man out; or if he is going to arrest any one, in short, no matter what his business is, everybody knows it about as soon as Woodring himself. This conduct the people condemn in Woodring, and will therefore vote for Jerre Butts.

REMEMBER,

taxpayers of Centre, that Jos. McCloskey is the tool and pimp of the Court House Ring. Remember that he was nominated by the Ring, simply because he was not fit to fill the office, and that, by reason of said unfitness, he would be compelled to rely upon the Ring for advice and counsel, and would, therefore, be left to their mercy—the supple, and, no doubt, willing tool of dishonest, treacherous and corrupt men—the material out of which the Court House Ring is composed.

The Germans Insulted

It is a conceded fact that the nomination of Jno. H. Morrison to the office of Register and Clerk of the Orphans Court was a direct insult to every German citizen in the county. That office should be filled by a man who can read and write and if needs be interpret the German language. Jno. H. Morrison can do neither.—Wm. Curtin his competitor is a good scholar and our German friends will feel at home with Mr. Curtin in the office. Germans of Pennsvalley vote for Curtin and resent the insult of the Court House Ring.

We have witnessed Prof. Nickle's astounding performances, and can pronounce them superior to anything of the kind we have ever seen.—His "growth of flowers," "Bird cage feat" and "money feat" have never been equalled. Don't fail to see him.

THE long-established warranted Boots and Shoes of Burnside & Thomas are now on hand for the season. Their well deserved reputation attracts and brings customers, not only from all parts of this county, but adjoining ones. Men with their sons and employees are found there securing them for their winter use.—Their advantages of a long experience, and extensive trade, give them facilities that are unsurpassed by any other house in the trade. We recommend our numerous readers to go and examine this establishment for themselves. A few minutes spent inspecting their large and varied stock of merchandise will be of practical use. Read their advertisement for their numerous other articles.

SAD ACCIDENT.—On Friday, the 1st inst., the cars of the Bellefonte & Snow Shoe Railroad ran over Mrs Sarah Webster, injuring her so that she died in a few minutes afterwards. She was on her way home, walking on the Railroad, just below Thomas' Mill. The train was being prepared for the afternoon trip to Snow Shoe, and the locomotive ran down to a switch near the mill, and to it was attached the passenger car, and a car loaded with stone, for the purpose of changing the ends, on the Y below. The cars were moving down slowly—the woman going in the same direction ahead of them, on the track. She was either not observed by the boys who were attending to these two cars, or they thought she would step off in time. The cars were within a few feet of her when the boys called to her, but it was too late.—She was knocked down; her left arm cut off near the shoulder, and her left ancle crushed before the cars could be stopped. She also received some very severe wounds about the head and right shoulder.

Jesse Klinger, Esq., held an inquest upon the body, at the house of the deceased. The Jury, after hearing the witnesses who saw the occurrence, concluded that it was an accident, and so made their return.

BRIEFS.—A young Editorial friend on High street has taken to drinking Mackey wine. This *is* for Joseph.——The Cummings House basement room are being elegantly fitted up for the purposes of bar, oyster-restaurant, reading-room and "sich." It is understood the Cummings will swarm from garret to basement during the Fair, and W. J. says, let 'er swarm.——Runaways are in order, "about these days." The little butcher cart horse of B. V. Black, sailed up Bishop street last Friday, doing his level best to "let go" the vehicle. Near the Cummings, the meat bus laid over, and the pony went on to the top of the hill, and quietly surveyed the $10 damage he had committed.——The Brockerhoff House folks have laid themselves out on Fair fixins, and will attend to all comers with Alacrity and his attendants.——Miller & Co. find space a valuable article. The piles of tobacco of every shade, price and "nationality," stacked in heaps, rows and winrows, in their establishment, is stunning. Gaze on it.——Remember the Mass Meeting at the Court House on Friday night.—Hon. J. H. Els, M. C., from New Hampshire, will address the meeting. He is eloquent and talented.——The Republicans of Pennsvalley should turn out *en masse* and attend the Republican rally at the Old Fort, on Saturday afternoon, at 2 o'clock. Remember the day and hour. Col. W. W. Brown, of the REPUBLICAN, and Geo. M. Yocum, Esq., will do the skinning. Railroadists, attend.——Where is the man, with soul so dead, who never took for himself this text: "I'll vote for Jerre Butts on Tuesday next?"——A cracked ring—Woodring.——Where is the man, woman or child, who will not attend the county fair this week?——Wonder how a little paint, and a general reconstruction of the town clock would effect its dismal face.——It is understood that garlic flour is declining in Howard. Eh, W. F. G—n?.——We believe that Wm. Wolf, of Potter tp., and right bower to anti-railroad Moyer, will resign his position as chairman of the township railroad committee, the present week. Good for Wolf.——Lots of *new* weddings on the carpet. All first class.——It is said that Billy Wolf, of Potter tp., will send in two resignations this week. The chairmanship of the township railroad committee, and his assumed commission to run a branch post-office——Next week the REPUBLICAN will contain a complete report of the fair, and lots of matter other than political. And we are glad of it.

LOOK out for the Dexter Washing Machine on the fair ground. It is the *ne plus ultra* of labor saving machines. Williamsport says it's the biggest thing out, and we personally say it beats anything ever seen about our premises, of the kind.

But be forever blest.

Special Notices.

BELLEFONTE, PA., Sept. 20, '69.

To our Patrons and the Public Generally:—

We hereby very respectfully give notice that on Monday, Oct. 4th 1869 our mode of doing business will be changed from a mixed credit and cash, to a *strictly cash* and *produce system*, and that on and after that date we will *positively sell no goods whatever on credit.*

Having tried the credit system for nearly three years, we found it both unpleasant and detrimental to ourselves and our customers, we have concluded to try the cash system, knowing that it will be beneficial to both parties, as it must be plain to everybody that goods sold for cash only can be sold cheaper than if sold on credit. We therefore propose to sell our goods *cheaper* than heretofore, and, as usual, to treat all who may give us a call as pleasantly as possible, promising to always have on hand a complete stock of the most desirable goods in the market.

Thanking you for your liberal patronage we give you a cordial invitation to continue the same.

Yours Very Respectfully

NEW CHANGE IN AN OLD FIRM

The undersigned adopts this method of informing his numerous friends and customers, that he has made arrangements to settle up the old books, and commence in the new. For thirty years I have done business in Bellefonte. I have for the whole of that time been one of the most extensive grain dealers in the place. I have always taken especial pains to accommodate my customers. I have always sold as good and as cheap goods as any other mercantile house in town, and it is my intention to continue to do so, but have added the name of my son W. S. WAGNER to the firm. Hereafter, or from the 13th inst., the business will be conducted in the firm name of

D. M. WAGNER AND SON.

I will increase the stock, will continue to buy grain, and to accomodate customers in every possible way. I invite all my old customers to continue with us and hope that the people of Centre, Clearfield and adjoining counties will find it to their advantage to deal with us.

D. M. WAGNER

We will in a few days receive from Phil'a and New York, the largest and best stock, and we may add, cheapest stock of Goods ever offered in Bellefonte. Our stock will be large and it is our intention to add to it from time to time. Every thing wanted by heads of families, farmers or others, will be found in our HOUSE. We are not only enlarging our stock but we have enlarged the STORE ROOM. Our store with the New room, will extend back 110 feet—shelved on both sides and constantly filled with the best of goods.

We most respectfully invite the people of Centre and adjoining counties to favor us with a call, and with their trade.

The highest market price will be paid for wheat and all other kinds of grain IN CASH. Country produce taken at the highest prices in exchange for goods.

GREAT RUSH TO STERNBERG'S.

Sung to the Tune of "Yankee Doodle.

The Great Pacific Railroad's laid,
From ocean unto ocean,
And now comple connection's made,—
An enterprising notion.

The mighty work at last is done,
So speedily and brisk, oh!
And now in ten days we can run
From here to San Francisco.

No more we take the ancient route,
The stage, a horrid slow thing;
It banged the passengers about,
And wore out all their clothing.

Chorus, for the end of each verse:

The Great Pacific Railroad's laid,
From ocean unto ocean,
And we buy clothes from A. STERNBERG.
A most delightful notion.

Through passengers by the Pacific Railroad will call at the store of A. Sternberg, before starting, and provide themselves with a complete outfit of the elegant and substantial Spring and Summer Clothing, the very best assortment of which will always be found at A. Sternberg's Store.

HORSE

Bellefonte Republican.

WEDNESDAY MORNING Oct. 6, '69.

It is the boast of some of the Democratic papers that Asa Packer, whose money is said to have been used to buy his nomination, is "the Workingmen's Candidate." Says the Mauch Chunk *Gazette*: From 1843 to 1848, when Judge Packer was an officer in the Lehigh Coal and Navigation Company, he demonstrated his love for workingmen by paying his employees in the Company's scrip at par, and redeeming it at forty per cent. discount. The poor men were obliged to submit to this ruinous shave, as they could buy nothing with the scrip, and had nothing else to buy with. Thus Packer profited by their necessities to the extent of forty cents on every dollar, and in this way helped to build up his colossal fortune. We are glad to know that the present officers and management of this staunch old company do business in a different way.

Re-assessments.—We see it stated that the Commissioner of Internal Revenue proposes to have re-assessments made on incomes, and to commence in Philadelphia. Allow us to suggest that inquiry be made for one Asa Packer, of the Sixth ward, who is represented as a millionaire, and yet who only paid about $40,00 in three years. It strikes us he would be a good subject to begin on, and if there are any other shirks let them all be hunted up and made to bear their honest share of the public burdens.

It may be a source of gratification to our poor people to know that in some parts of the world there is a more cheerful prospect in store for them than here, with potatoes increasing in price from week to week, and apparently without cause, unless it be that Packer *may* possibly buy his election next month. In the great Republican State of Iowa, potatoes are selling for twelve and one half cents a bushel, and they are not very eagerly sought for at that price.

To escape the payment of bounty tax, assessed on his immense fortune, Asa Packer played a most outrageous dodge—getting himself assessed in Philadelphia, where he returned a gold watch and a few other taxable knick-knacks which he carried along in his carpet bag! The same Asa Packer resides in a mansion which he built ten years ago in the borough of Mauch Chunk, at an expense of a hundred thousand dollars. He is the Democratic candidate for Governor.

Honest Voter, we ask you is the wholesale plan of buying up the State of Pennsylvania—of making the ballot box a matter of merchandise—going to keep you away from the polls? Or will these hundreds of thousands of dollars from the $20,000,000, amassed by poor payment of others for their labor, make you determined that your vote shall count against such wholesale knavery?

Don't elect a selfish man Governor. Don't vote for a man who makes his private interests paramount. Don't vote for a man who grinds the faces of the poor by raising the price of coal fifty seven cents per ton, in order to add to his millions. Don't vote for a man who changes his residence to avoid paying his taxes. Don't vote for Asa Packer!!!

The Democracy are holding no public or political meeting. They do not parade as of old, or meet to reason together. They will have no expenditures this season for room-rent, music, carriages, printing, capes, torches, or the other ordinary auxiliaries of a campaign. *How are they spending Asa Packer's money?*

Packer served two terms in Congress. In one session of nine months—260 working days—he was present at his desk but 54 days; and yet he drew his full salary ($3,000) for the session $55.56 per day for every day he served. Can a man who would do this (to say nothing of the tax fraud) be considered honest?

A Democratic contemporary volunteers in defence of Asa Packer the manly argument that if he did not pay his taxes it was not his fault, but that of the assessors. Now, as the assessors at the time alleged were Johnsonites, the trouble yet rests inside of the family.

When Governor Geary was first elected, there was a tax on real estate. No State tax on real estate to day.—If your are in favor of no State tax on real estate, vote for Geary. If you want that tax again imposed, vote for Packer.

Mr. Asa Packer has given a couple of thousand dollars to the Avondale sufferers, which is about as great a thing, in comparison to his great wealth, as a splinter on a gang plank to a three-decker man-of war.

How does the extra 57 cents per ton for the transportation of coal over the Lehigh R.R., whereby coal is kept up in the East- how does it suit the poor laborer, in that it is said to be used to carry on the Packer campaign?

Twenty Pieces of Silver.—Counties are now given out by contract for Democratic political purposes, by the several Democratic committees. That 57 cents per ton on coal on the Lehigh road *must tell!* thinks Asa Packer.

Every man who burns yearly four tons of coal transported over Asa Packer's railroad, pays that corporation $2.28 tax annually—fifty seven cents per ton, the rise in the price of transportation since May last.

"GRANDFATHRS' STOVE."

Our grandfather's stove, what a funny old thing,
So deep, so wide and so tall;
Now the people would say, who are stylish and gay,
"It was only a hole in the wall."

It matters not what, it was pleasant to see
When night's mantle was flung over all;
Grandfather take down his good book and read
By the light from the hole in the wall.

As the sturdy young men rolled in the great logs,
They would laugh at each wintry squall,
Whilst grandma would sit on her old chair and knit
By the light from the whole in the wall.

The girls then wore home spun, and so did their beaux's,
For pride was a principle small;
And courting was done and hearts have been won
By the light from the hole in the wall.

The neighbors were friendly wherever they'd meet,
With a word of true kindness for all;
And joy was complete to hear voices so sweet
Ring round that old hole in the wall.

In those days we know, folks cared not for show,
Of improvements knew nothing at all;
But 'twas really no joke, when great clouds of smoke
Rushed out from the hole in the wall.

But those days are now o'er, we shall know them no more,
And all those old fashions have flown;
Whilst the solemn and gay are coming each day
To purchase the famous "Old Home."

Coming not only in couples, but in scores, as hundreds of good and wise men and women have done before, to look upon this magnificent stove, which is acknowledged to be the best cooking stove of the age. Remember the place,

This Infallible Remedy does not, like the poisonous irritating snuffs and strong caustic solutions with which the people have long been humbugged, simply palliate for a short time, or *drive the disease to the lungs,* as there is danger of doing in the use of such nostrums, but *it produces* PERFECT AND PERMANENT CURES OF THE WORST CASES OF CHRONIC CATARRH, as thousands can testify. "Cold in the Head" is cured with a few applications. Catarrhal Headache is relieved and cured as if by magic. It removes offensive Breath, Loss or Impairment of the sense of taste, smell or hearing, Watering or Weak Eyes, and Impaired Memory, when caused by the violence of Catarrh, as they all frequently are. We offer in good faith a standing reward of $500 for a case of Catarrh that we cannot cure.

SEWING MACHINES.

AMERICAN BUTTON-HOLE

OVER SEAMING AND SEWING MACHINE COMBINED.

MEDAL AWARDED AT THE PARIS EXPOSITION, 1867.

In directing attention to the celebrated COMBINATION BUTTON HOLE AND SEWING MACHINE, we feel fully warranted in claiming for it *unquestionable superiority* over all others as a Family Machine.—The Simplicity, Ease and Certainty with which it operates, as well as the uniform excellence of its work, *certainly place it far in advance of any other similar invention of the age.*

It is also the *cheapest*, intrinsically, as well as the *best*, since it is really *two machines* combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparatively noiseless, easily understood, and, in a word, it combines with those *advantages exclusively its own the most desirable qualities of all others,* for it not only does every variety of sewing in a SUPERIOR MANNER, but in addition OVERSEAMS splendidly and makes beautiful BUTTON and EYELET HOLES in all fabrics. This is far beyond the capacity of any other machine.

The splendid MECHANISM of this Machine, and the superior skill workmanship and materials employed in its construction, are a guarantee of accuracy, strength and durability, and enable the company and its agents to Warrant Every Machine they sell to give entire satisfaction.

INSTRUCTIONS GIVEN ON THE MACHINE GRATUITOUSLY.

Lessons may be taken if desired with a view to test the Machine, or to become better acquainted with it before deciding to purchase. Samples of work will be furnished upon application at

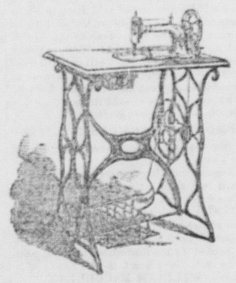
SEWING MACHINE.

THE SINGER SEWING MACHINE



Among sewing machines, those made by the Singer Manufacturing Company, rank with the highest. Their manufacturing machines, have long been known as the best for manufacturing purposes But within the past few years, they have given special attention to the production of a

FAMILY MACHINE,

destined to win much favor in the

HOUSEHOLD.

The machine which they now offer is quiet light-running, simple, fast, noiseless. Its accessories for

HEMMING, BRAIDING, BINDING,
QUILTING, TUCKING, CORDING,
FELLING, GATHERING,

are simple and easily understood. Its delicate though enduring and tireless muscles of iron and steel, do all the work noiselessly, better, and few will deny, "Faster than hand can do it." They urge those wishing to purchase a machine, to examine all the other manufactures before buying, as it will, for itself, overcome all the objections to the other machines that can be brought against it. Machines on hand for sale and exhibition, together with a full and complete assortment of

SILK, TWIST, LINEN, OR COTTON THREAD

and all the accessories for the machines, by
